GEWÜRZTRAMINER  
MONTEREY, CALIFORNIA  
ESTATE GROWN | SUSTAINABLY CRAFTED

*Life is sweet in Monterey. Enjoy it with us.*

*Cheers to the sweetness of life!*

## MONTEREY

The picture-perfect climate of Monterey, California is heaven on earth for our fragrant Gewürztraminer vines. The chilly marine air coming off the Pacific Ocean drifts down the valley every morning, keeping our vineyards cool until midday when the bright California sun shines through. This slow ripening process ensures the perfect balance of lively acidity and delicious fruit flavor.

## WINEMAKING

Once the delicate Gewürztraminer grapes are harvested in our sustainably grown vineyards, our dedicated winemaking team presses the juice for a cold fermentation in stainless steel tanks to maintain the wonderful aromatics and bright flavors.

## TASTING NOTES

At first sip, this sumptuous Gewürztraminer delights with aromas of lychee, honeysuckle and guava. Flavors of pineapple, grapefruit and peach dance from the glass. Light bodied with crisp acidity, it is balanced by the perfect amount of sweetness and a bright tropical fruit finish. Fragrant and charming, Hive & Honey Gewürztraminer enhances any occasion.

*Appellation:* Monterey

*Aging:* 100% stainless steel

*Alcohol:* 11.5%
